OUR COUPLES, THEIR WORDS

"My husband and I could not have chosen a more perfect venue for our dream wedding. Salvatore's is beautiful: the best of the best!"

- Sarah H. -

"My wife and I recently got married at Salvatore's and (I know I'm biased, but) it was the best wedding I've ever been to. People kept commenting on how beautiful the space was, the food was absolutely amazing, and the staff were all so kind and helpful. Back when we were first searching for a venue, Salvatore's was the clear choice."

- Chris C. -

"My husband and I held our wedding reception at Salvatore's this fall and I am still getting compliments about how fabulous our wedding was. It is an absolutely beautiful venue, with vintage charm that you really can't find anywhere else in the city."

- Carly L. -

"Everything about Salvatore's was perfect for our wedding. The space is gorgeous and we liked that it's a historic building. We got so many comments about how beautiful it was and how delicious the food was! Marco worked so hard to make everything perfect, including answering my many questions beforehand. You could tell he really wanted our night to go perfectly, and it did! All of the night-of staff were amazing & attentive as well. We loved that the space is split between dinner tables & dance floor, which encouraged people to dance after dinner. I could not recommend having your wedding at Salvatore's enough! "

- Sarah F. -

"On our wedding day, the entire staff just wanted to make sure my wife and I were having a wonderful time. With all the planning that goes into one day, it's great to have people reminding you and encouraging you to live in the moment! We would highly recommend Salvatore's for any wedding/rehearsal dinner or event! It will always hold a special place in our heart and we cannot thank the staff enough for giving us the experience we both wanted!"

- Jimmy B. -

OUR STORY

Nestled on a charming, tree-lined street in Lincoln Park's historic Arlington District, Salvatore's stands as a testament to Chicago's rich past. This incredible brick-faced building, originally constructed in 1923 as The Granada Hotel, has been a local landmark for over a century. In 1977, it transformed into Chicago's first fine-dining Northern Italian restaurant, captivating taste buds with its exquisite cuisine. By 2002, Salvatore's

Please Note: We no longer allow Candles to be placed on the floor

Ristorante evolved into a dedicated venue for weddings and celebratory events, a place to mark life's most cherished moments.

Over the decades, hundreds of thousands of Chicagoans have graced Salvatore's with their presence. Whispers even hint at a visit from the infamous Al Capone himself! The Jusufi family took ownership in 1949, with Dean Jusufi guiding the establishment for many years. His dedication and vision helped shape Salvatore's legacy. In 1994, his daughter Ms. Sherife Jusufi took the reins, carrying forward the family's commitment to excellence.

The true magic of Salvatore's lies in its timeless elegance. While the building and business have naturally evolved over a century, the essence of its grandeur remains. Original historic details stand as witnesses of the past, and the magnificent chandelier in the lobby continues to illuminate the arrival of every guest, welcoming them into a space steeped in history and warmth.

More than just a venue, Salvatore's is a family. Now proudly women-owned for over 45 years, it's a place where generations have poured their hearts and souls into creating unforgettable experiences. We are deeply grateful to be a part of Chicago's vibrant tapestry, and we eagerly await the opportunity to share this legacy with you and your loved ones at Salvatore's.

*We are thrilled to open our doors to you and your guests
to enjoy all of the history, and timeless beauty
Salvatore's has to offer. Every couple we work with
becomes a part of our legacy, and we are so proud to
welcome you into -*
